Check Out Our Presenters!

Suzey Delger RN, MSN, FNP

School Nurse Coordinator from Wyoming. Suzey will teach attendees advanced cardiac assessment skills as well as the assessment of rashes in the school aged child. Suzey's assessment courses are well known for her humorous and easy going presentation manner, but most importantly, for providing skills immediately applicable to the practicing School Nurse. Bring your stethoscope and be prepared to hone your physical assessment skills.

Linda Kalekas RN, MSN, NCSN

School Health Coordinator for Clark County School District.

Linda is a national SETT(School Emergency Triage Training) trainer for NASN. She will provide attendees with an introduction to emergency planning principles appropriate for the School Nurse.

Barb Ludwig RN, MEd , and Renee Ball RN, BSN, MEd

Former School Nurses from Clark County. Barbara helped initiate the Columbia TeenScreen Depression Screening program in Clark County School District. Renee is a Past President of NSASN and is currently working with the State of Nevada in Suicide Prevention. They will provide an overview of depression and suicide in youth and an introduction to TeenScreen Mental Health Checkups.
